

## Chuck Tatham

VP Marketing & Business Development

CiRBA, Inc.

Chuck Tatham has 15 years of experience in enterprise software marketing, sales and corporate management. As vice president of marketing and business development for CiRBA, he is responsible for global marketing strategy and corporate communications, as well as strategic business development initiatives.

Prior to CiRBA, Tatham was vice president of IT Governance marketing at Compuware Corporation, responsible for global marketing of the IT Governance product. He previously served as vice president of marketing and business development for Changepoint Corporation, an IT Governance software company. As a member of Changepoint's executive team, Tatham helped grow revenue from \$1 million to over \$30 million, resulting in the company's 2004 acquisition by Compuware. Tatham has also held senior roles in sales and channel sales at Lotus Development Canada.

Tatham holds a Bachelor of Science degree in psychology from The University of Toronto.
